REMOTE INTERN ONBOARDING PLAN (30 Days)

To ensure a smooth, welcoming, and productive integration of remote interns into the company from Day 1.

Department - Human Resources Department ||
Prepared By - Palak Tripathi

Objectives..

To create a smooth onboarding experience for remote interns

To ensure proper communication, productivity and engagement.

To help interns adapt quickly to company culture and workflow.

First Week Schedule..

Welcome & IT Setup

Welcome meeting with HR and team introduction. Make the Intern feel comfortable and welcomed.

Process Shadowing

Shadowing a senior team member during a live project task. Quick check-in call with the manager to clear doubts.

Company Orientation

Company overview, mission, policies, and work culture session

First Starter Assignment

Allocation of a simple, low-risk “starter task” to practice using tools.

Essential Requirements & Access Checklist
